**STUDY IN
EUROPEAN
CYPRUS**

CYPRUS: QUALITY OF LIFE

Cyprus is situated in the north-eastern corner of the Mediterranean, at the meeting point of Europe, Asia and Africa.

- **Healthy Environment:** The island is endowed with golden beaches, virgin green forests and other natural wonders. The environment is one of the healthiest in the world, free from pollution and the other ill-effects of industrialized countries.

- **Fabulous weather:** The island enjoys abundant sunshine, and even in December and January, there is an average of six hours of bright sunshine per day, whilst over the six 'summer' months, there is an average of 11.5 hours of bright sunshine per day.

- ***Millennia of culture, history & art: Cyprus is a small island with a long history and a rich culture that spans 10,000 years, making it one of the oldest civilizations in the Mediterranean - as evidenced by the many fascinating cultural sights, museums, monuments and galleries.***

- **Gastronomy:** The food of Cyprus reflects the rich and turbulent history of the island and its indelible Greek culture. You will find tastes influenced by the Middle East, Asia Minor and the Venetians, all using fresh local ingredients, herbs and spices and olive oil.

**• High quality leisure facilities all year round:
Golf, Diving, Water Sports, football, hiking,
leisure and thematic parks etc**

**• Secure and Safe:
Crime is almost non-existent
(crime ratio less than 1%)**

- **Hospitality Culture:** Cypriot people are famous for the warm and friendly welcome they extend to visitors.
- **Multicultural:** Greek Cypriots, Turkish Cypriots, Armenians, Indians, Jews, Roma, Lebanese, Roma, Russians, Vietnamese etc

- ***Transportation and Communications Infrastructure:***

- ***Modern road network & small distances***
 - ***Two international airports***
- ***Two multipurpose ports with a third being under development***
 - ***Connectivity***
- ***Excellent Telecommunications infrastructure***

- ***Reliable high-speed international connectivity***
- ***100% Broadband and mobile broadband coverage***

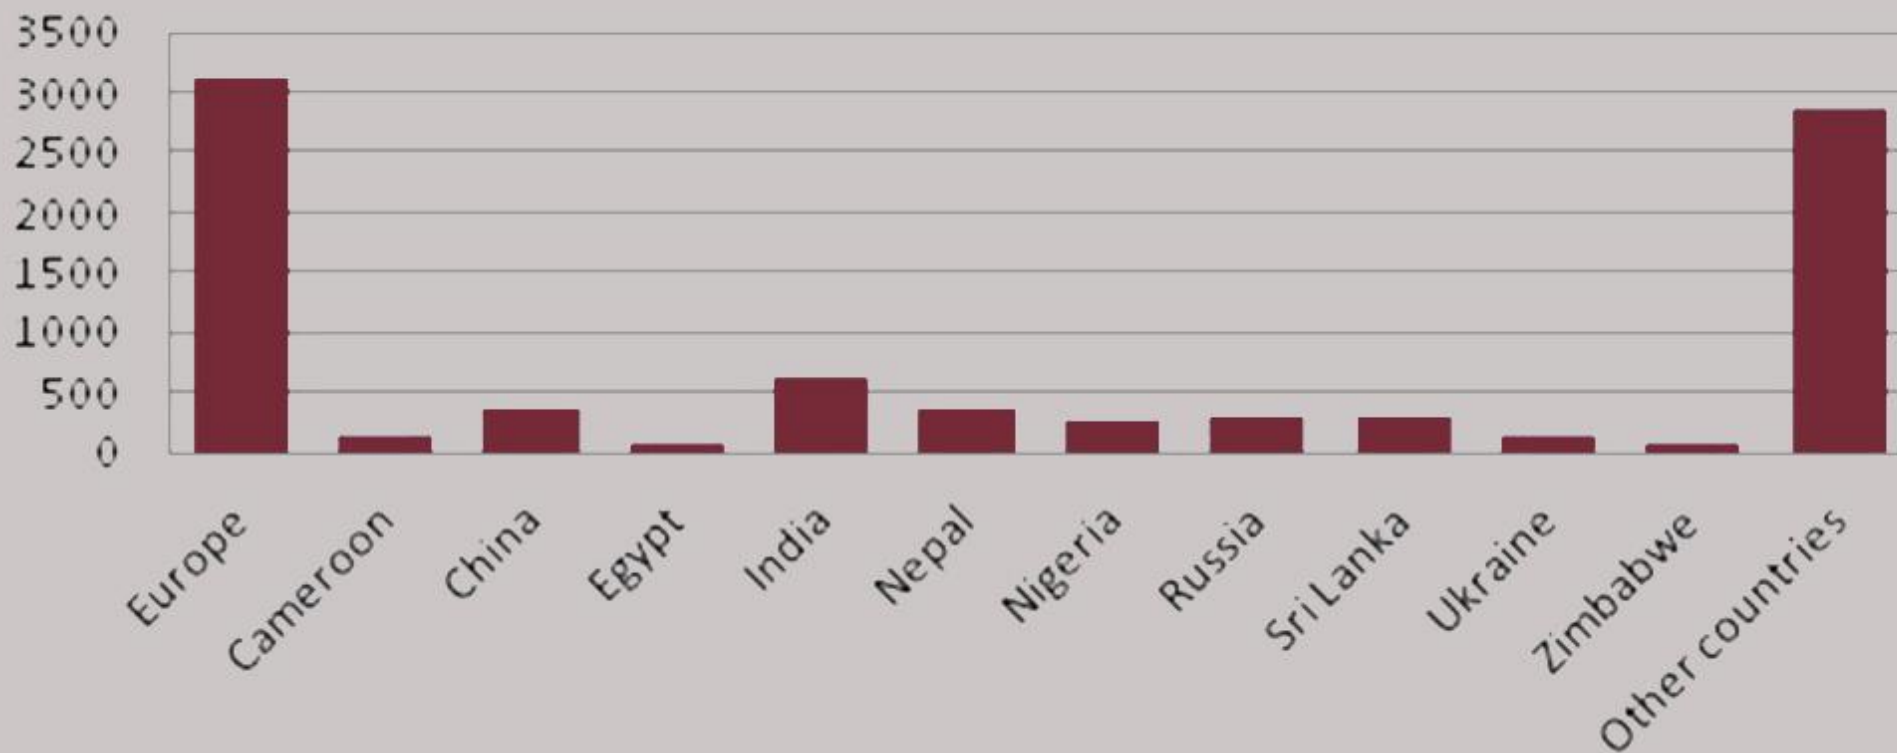

- **High quality education:** Students receive a quality education in a safe, friendly environment at an affordable cost!

Part-time work during studies is allowed to international students who have a work permit.

During the semester: up to 20 hours per week.

During break time: up to 38 hours per week.

NICOSIA - THE CAPITAL OF CYPRUS

- Nicosia is the centrally located capital of Cyprus and the **largest in population city of the island.**
- Administrative, commercial, cultural, **educational** and religious centre of the country.

- A **modern highway system** connects Nicosia to all main towns and cities, many in under an hours' driving time.

- *From a centuries-old walled city centre that sees **monuments** in close proximity to **late-night clubs**, to downtown **bargain shopping and brand new suburban malls**, and a range of **local and international restaurants** to suit every palate and budget, Nicosia has something for everyone.*

- Students in Nicosia can choose from a variety of very affordable housing options.
- **Getting around Nicosia is easy.**

Depending on your location, many areas of the city are within easy walking distance. The public transportation system has been recently upgraded, with brand new buses serving a wide network of routes. Bike paths are also being created that will link educational institutions with the city centre.

STUDENTS
SUPPORT**

Student Orientation Day

Orientation is an important service administered to all new students upon their arrival at the college. New students are required to attend a series of orientation seminars which, among other objectives, aim at:

- Easing students' way to college life by eliminating all obstacles that might interrupt their educational progress; and***
- making students aware of and experience all on and off-campus opportunities for personal, social, cultural and intellectual development.***

- ***Academic Advising:***

- ***All students are assigned to faculty advisors. Students are encouraged to contact their advisor at any time during the academic year asking for any assistance on academic and career matters.***

- ***Personal Counseling:***

- ***Students in need of personal counseling can contact the office of student affairs to arrange a confidential, one-on-one meeting with a qualified professional.***

- ***The International student support office***
 - ***Aims to help Foreign students adapt to a new and unfamiliar environment.***
 - ***Services offered to foreign students: airport pick up, support on issues related to the migration office, help in finding accommodation, etc.***

It provides a deep understanding of the underpinning theoretical foundations of data and computation, along with developing highly transferable computational thinking, analytical and problem solving skills, as well as a broad range of software development skills.

POSTGRAD UATE PROGRAMS

M.Sc. in International
Hospitality & Tourism
Management

M.B.A.
Master of Business
Administration

M.Sc. in Health Psychology

LL.M. International Business
(Master of Laws)

**M.Sc. in
International
Hospitality &
Tourism
Management**

Welcome

Duration: 1 Year

The program is designed to develop a reflexive practitioner with excellent problem-solving and interpersonal skills together with an in-depth understanding of the hospitality industry who is capable of operating in a middle or senior management position in hospitality organization contexts – hotel, restaurant, corporate hospitality, events management – either in a general management capacity or in relation to the management of a specific functional area within a hospitality organization.

**M.B.A.
Master of
Business
Administra
tion**

Duration: 1 Year

The MBA is an internationally recognized and respected qualification for managers. Applicants are from both the public and private sectors.

The teaching program is aimed at those who are looking to develop their careers and at 'high flyers' that need an understanding of all the major functions of business providing generalist knowledge for prospective leaders.

**M.Sc. in
Health
Psychology**

Duration: 1 year

Health psychology focuses on the roles of psychology, biology and social or environmental factors on health and health related behavior.

Health psychologists promote healthier lifestyles and seek to improve well-being by understanding the impact that health related thoughts, feelings and behavior can have on the individual.

**LL.M.
International
Business
(master of
Laws)**

Duration: 1 year

The LLM in International Business is designed to equip students with the necessary skills to develop the understanding of concepts and theories, stimulate critical thinking and transform problems into opportunities from a multidisciplinary perspective.

The subject areas covered are rooted in the business and management environment, where the advanced study of law is undertaken in the context of real business issues.
