Working in Sweden

- You are allowed to work during your studies, but it is difficult to find a part time job in Sweden if you do not speak Swedish
- You can stay for six months after your studies to find a job or start a company

Free Swedish language courses

- International students can study Swedish language courses
- No need to apply in advance – you can sign up during Orientation Day Classes during afternoons or evenings
- A good idea if you want to stay and work in Sweden after finishing your studies
