How can I access a bachelor degree program in

Bachelor degrees at **public** Universities

q With an European or International Baccalaureat diploma: contact first <https://unedasiss.uned.es/> for the equivalence of your grades to the spanish university ones. B1 level of Spanish language or English taught program (normally C1 required).

q With an Indian high school diploma: most part of spanish universities still require an entry exam. Only some universities accept a certain number of students from abroad without this exam. B1 level of Spanish language or English taught program (normally C1 required).

Bachelor degrees at **private** Universities

q There is no general requirement to be admitted to private universities. Each one has their own requirements so, just contact them. Normally, B1 level of Spanish language or C1 level of English language for English taught programs are required.

And what about Masters and Phd Programs Requirements & Documents

- **For Master programs: a minimum 3 years Bachelor degree.**

Most important documents: Copy of Bachelor Diploma + transcript in English or translated into Spanish and legalized with The Hague Apostille.
